

What We Build in Pagosa:

HOMEOWNERSHIP *for workforce families*

Since 1994, 28 families have partnered with Habitat Archuleta to build their home alongside volunteers and pay an affordable mortgage. Today Pagosa faces a critical shortage of housing for our workforce, and Habitat is responding to that need by increasing the number of homes we build.

ENERGY EFFICIENCY AND AFFORDABILITY

By building steel frame, all-electric modular homes with solar panels, we reduce construction time, cut waste and decrease utility bills. Owner occupancy requirements and deed restrictions preserve affordability for future homeowners.

A STRONGER COMMUNITY

One of Archuleta County's greatest needs is attainable homeownership. When working families have the security of homeownership, they are more vested in their neighborhoods, their schools and their jobs. When volunteers work alongside future homeowners, they offer a hand up, not a hand out.

**Volunteers are the heart, soul and muscle of Habitat.
Every helping hand and every donation helps a family to help themselves.**

2022 Build Information for Volunteers:

WHAT

Two 3 Bedroom, 2 Bath Homes

Habitat Archuleta is partnering with two families in 2022 to build their own homes alongside volunteers. These homes will be steel frame, energy efficient modular homes WITH SOLAR, so their cost of homeownership is always affordable.

WHERE

Side-by-Side at:
6798 N. Pagosa Blvd.
6770 N. Pagosa Blvd

Near Lake Hatcher and National Forest land, this location is a beautiful place to call home! An easy 10 minute drive from Hwy 160, with plenty of parking available for volunteers.

WHEN

JUNE '22 - SEPTEMBER '22

Monday, Tuesday, Friday, Saturday.

8:00 AM - 2:30 PM

That's our plan, but we know that Mother Nature might not always cooperate! After you sign up to volunteer, we'll keep you updated with details through our email newsletter.
