Dear Potential Homeowner,

Thank you for your interest in partnering with us to build a new home in Archuleta County in 2027! We can't do what we do without partners like you.

Since 1994 Habitat Archuleta has partnered with 39 families to build their own home alongside volunteers, and go on to pay an affordable mortgage. Please review the information in this application package. If you feel you're ready to own a home, complete the application and provide supporting documentation like bank statements, pay stubs, and other applicable items listed on the document list enclosed.

Our process for selecting families for our 2027 builds:

- 1) We are always accepting **applications**, but to be considered for our 2027 builds your complete application (including supporting documents) must be submitted by June 30, 2026.
- 2) Habitat staff will invite you for an **initial meeting** once we've had the chance to review your application. We meet with every applicant, whether or not you're eligible to move forward this year. At this meeting you'll learn more about the type of mortgage loan you'd be applying for and our deed restrictions. Habitat staff will give you an idea if you're eligible to partner, or what steps you may need to take to become eligible in the future. If you are eligible to partner we will discuss the next steps at this meeting. Habitat staff presents the list of qualified applicants to our Board of Directors in July.
- 3) Applicants are invited to volunteer with us for a few **hours on our 2026 builds** to see what it would be like to partner with us to build your own home.
- 4) If you're an eligible applicant we will schedule a **family visit** with our Family Services Team in August and September. This meeting is meant to be casual! It is an opportunity for applicants to get an idea of what its like to partner with Habitat. Its an opportunity for our Board of Directors, the group deciding who we build with, to meet applicants and discern a sense of need and willingness to partner on this construction project.
- 5) We try to get all home visits done in August and September, and **notify applicants in October** as to whether they've been invited to partner to build the following year.

Once Partner Families are selected in the fall, Habitat staff host a class to review Habitat Archuleta deed restrictions. Our program is designed to be most beneficial when families plan to remain in their home long term, just like buying a house in the regular real estate market.

Beginning in January 2027, Partner Families sign a Letter of Intent to partner to build, and work with Habitat staff to submit a full mortgage loan application to USDA Rural Development. By spring of 2027 the construction process is well underway and partner sweat equity hours begin (250 hours per adult). Partner families sign purchase contracts during construction in the summer months, and that is when the \$1,500 down payment is due.

Building a home is a long process and a big commitment! Partnering with Habitat Archuleta isn't the only route to homeownership. We are happy to work with you as you figure out what your path to homeownership is.

Applicants who aren't invited to partner to build with Habitat Archuleta may work with Habitat staff to submit a mortgage loan application to USDA Rural Development for use in the conventional real estate market. As we move through the application process, we can discuss this option further.

Sincerely,
Leah Ballard, Executive Director

To be considered for Habitat ownership, you and your family must be willing to complete a certain number of “sweat equity” hours. Your help in building your home and the homes of others is called “sweat equity” and may include clearing the lot, painting, helping with construction, working in the Habitat office, attending homeownership classes or other approved activities. For example, we need assistance in social media content, and children can even contribute “hours” for good grades.

EQUAL CREDIT OPPORTUNITY ACT NOTICE

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that monitors compliance with this law concerning this company is the Federal Trade Commission, with offices at the FTC Regional Office for the Western region, Los Angeles, CA, Phone: 310-824-4300; or, Federal Trade Commission, Equal Credit Opportunity, Washington, DC 20580.

You need not disclose income from alimony, child support or separate maintenance payment if you choose not to do so. However, because we operate a Purpose Credit Program, we may request and require, in order to determine an applicant's eligibility for the program and the affordable mortgage amount, information regarding the applicant's marital status; alimony, child support and separate maintenance income; and the spouse's financial resources.

Accordingly, if you receive income from these sources and do not provide this information with your application, your application will be considered incomplete, and we will be unable to invite you to participate in the Habitat program.
